

ISMRA

KEY TECHNOLOGIES

A network of partners serving companies:

implantation, accueil, extension, accès aux aides publiques, recherche de partenaires en région et à l'étranger...

Development structures network the local and regional economic fabric of Normandy. Business project sponsors can benefit from all the facilities of the network.

If you need project assessment services:

The development structure network – Technology Centres, CRITT (*Centres Régionaux d'Innovation et de Transfert de Technologie*, regional innovation and technology transfer centres), and Chambers of Commerce – help entrepreneurs prepare and finalise their projects.
